BDC InterACTIVE

PRODUCT FEATURES

Product feature as follows:

- Model Number: BDC InterACTIVE
- Dimension: 148mm x 148mm x 34mm
- Active Area: 20~80inch
- Weight: 150g
- Working Way: Wired or wireless
- Power Input: USB power supply ; AC100-240V,50/60 Hz(for wireless module)
- Positioning Technology: Infrared and Ultrasonic
- Writing Way: Electronic Pen
- Response Speed: 3m/s
- Positioning Accuracy: 0.1mm
- Resolution Rate: Any resolution supported by the computer
- Data Interface: USB1.1
- Operating Temperature: 10~35?
- Operating Humidity: 10~80%
- Accessories: User manual, electronic pen, USB cable(5m/16ft), CD Disk, pen point
- Accessories Optional: Wireless module, electronic pen

Product information:

- Smart design;
- Convert any smooth surface into interactive whiteboard;
- Support multi-languages.
- Support Windows XP;Windows 7 ;Windows 8 ; MAC OS; Linux
